

What makes our District liveable to you?

Our Council is planning for your future.

We need your help to understand what our community's values are, as a stepping stone in our long term plan process.

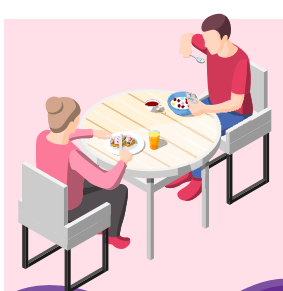

How does the Council impact your daily life?

From fresh drinking water, roads and footpaths, to animal control, libraries, galleries, and parks, the Council does a lot of mahi (work) to make the Gore District a great place to live. This may include:

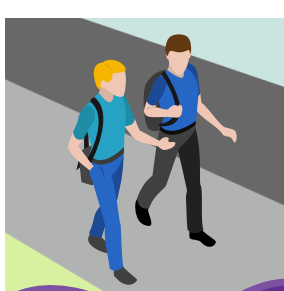

Get ready for Work

Wastewater from your shower and toilet is safely taken away.

Have Breakfast

We supply the clean, safe drinking water you use to fill the jug.

Go to Work/School

We look after roads and footpaths you use to get around the District.

Grab a Snack

Our regulatory team ensures cafes & restaurants serve food that's safe.

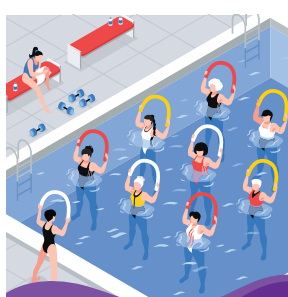

Lunch in the Park

We maintain spectacular parks and gardens for you to enjoy.

After School Play

Take the kids to one of our playgrounds or your furbaby to the dog park.

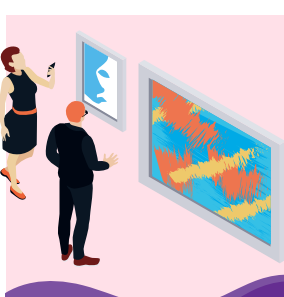

Relax or Learn

Kids can learn to swim or you can try AquaFit at the Aquatic Centre.

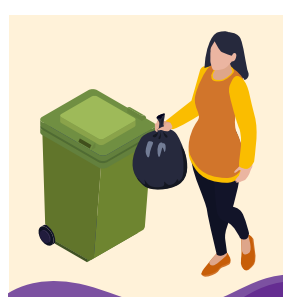

Sports Practice

Our Sports Fields/Event Centre helps support an active, healthy community.

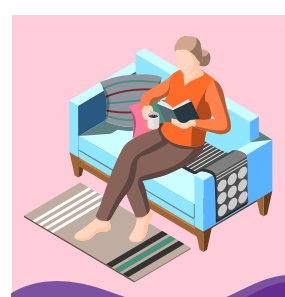

Discover Culture

Be inspired by local artists and learn about Gore's history at the Arts and Heritage Precinct

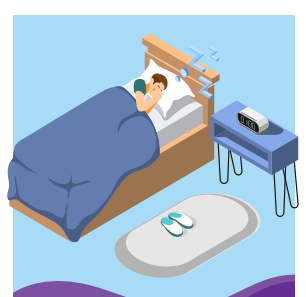

Put the Bins Out

We look after waste collection and transfer stations.

Read before Bed

We have thousands of books and e-books at our libraries.

Sleep at Night

Our district plan helps keep residential neighbourhoods quiet at night.

We need your thoughts.

We want to know what makes our District a great place to live.

We've picked seven of our services to get a feel for what our community sees as important for a thriving community.

Please rank them in order (1 = most important or 7 = least important).

You can submit your responses by:

Online:

Tell us online at [Say.goredc.govt.nz](https://www.goredc.govt.nz)

Post to:

Gore District Council
Liveable District
P O Box 8
Gore 9740

Hand deliver to:

29 Bowler Avenue, Gore

OR Mataura Library and Service Centre, Bridge Street, Mataura

Please rank in order of importance:

- ☐ Aquatic Centre and Event Centre
- ☐ Arts, Heritage and Visitor Centre
- ☐ Events
- ☐ Libraries
- ☐ Parks and Reserves
- ☐ Roading
- ☐ Three Waters
