Refer to the STEM guidance and advice notes. Further information, or explanatory notes are provided below where necessary.

Further Notes/ Recommendations:

- Current T8 DP Map markers are also located in the Croquet Club quadrant, north of Irwell Steet and in the bowling green area north of Eccles St.

Notability Evaluation notes:

- Designed, in 1906, by David Tannock, the horticulturist largely responsible for Dunedin Botanic Garden. This historic park preserves his rather formal layout and a venerable giant redwood and two horizontal elms from this time. There are some very rare well established conifers in the collection.
- These are highly recommended gardens by the NZ Gardens Trust (5 Stars)

TREE LOCATION – Note multiple map locations shown on DP Maps
