RESOURCE MANAGEMENT ACT 1991

GORE DISTRICT COUNCIL AND ENVIRONMENT SOUTHLAND

RESOURCE CONSENT APPLICATION NO's LU 2020/012 AND APP-20202268

BY

GORE DISTRICT COUNCIL

TO

TO CONSTRUCT A NEW BRIDGE ACROSS THE MATAURA RIVER

FIRST MINUTE OF COMMISSIONERS

1.0 Hearing Procedures

Hearing Timetable

1.1 The hearing for the proposed new bridge across the Mataura River in Gore has been set down for the 16th and 17th of December 2020 beginning at 9.00am in the Gore District Council Chambers at 10C Ardwick Street, Gore.

1.2 There are some time constraints on the 17th December due to travel which will mean that the hearing will need to be concluded by 11am on that day. As a result, and in order to enable submitters to attend and present at the hearing after work the Commissioner Panel is prepared to sit through until 6.30pm on the 16th December.

Evidence

1.3 The Panel have now received all the pre-circulated expert evidence to be presented at the hearing. This evidence will be taken as read and each expert will be able to provide a brief summary of their evidence which will be followed by questions from the Panel.

1.4 Submitters will be able to present their submissions verbally and/or provide further information on their submissions. Please note that the Panel will have read all submissions prior to the hearing.

Site Visit

1.5 The Panel intends to undertake a site visit to the application site prior to the hearing commencing and will undertake a further site visit if considered necessary. If you see the Panel members at the site, please do not approach them as we are unable to discuss the proposal outside of the hearing forum.

Dean Chrystal

Chair

9th December 2020
